Group arrangement:

We will divide the children into fixed groups in advance. Of course, we will take the children's wishes into consideration and adapt the groups accordingly on site, **therefore there is no need to let us know about special wishes in advance**. The children will stay together in their groups during the camp week.

Sports & Activities:

We will adhere to the guidelines currently in force during the respective camp. In Hamburg sport outside for children is allowed without any restrictions for the children.

Hygiene and behavior rules for your children:

- I listen carefully to my coach and follow the rules.
- Outside of the sportsground I keep distance to other persons.
- I cough and sneeze in the crook of my arm.
- I only go to the toilet and washroom alone.
- I wash my hands with soap several times a day.
- I let my trainer know when I want to leave the group (e.g. to go to the toilet).
- I let my trainer know when I feel sick (cough, fever, sore throat).

It is not compulsory for the children to be tested and wear a mask. If your child has been tested positive to the Corona-Virus, please inform us immediately. Your child will then not be allowed to participate until you can demonstrate a negative test. The parents in the child's group will then be informed by e-mail, as well as if a supervisor has been tested positive. If you have not already done so, please save our e-mail address kidz@kidz-playground.de in your contacts for the duration of the camp so that our e-mails do not end up in SPAM.

Finally, we would like to thank you very much for entrusting us with your children during this "stormy" time. Now we hope that we will succeed in making it possible for your children to have a healthy, happy and active holiday time. If you have any basic questions or concerns, please do not hesitate to contact us.

Sporty greetings

Dagmar, Kim & Steiko

P.S. If you forgot to transfer the participation fee 185 Euro in the hustle and bustle of holiday preparations, we would like to ask you to arrange this **immediately**: IBAN DE60 2007 0024 0618 0640 00
